MOONLIGHT MUSIC D.J.

We are **MOONLIGHT MUSIC**, a Disc-Jockey music and entertainment service. We have been performing at wedding reception's, proms, school dances, parties, events and bar / restaurants since 1985. We are known for our outstanding musical variety with a unique sound & light show, & truly awesome D.J.'s at a **GREAT VALUE!**

VARIETY

We've built our reputation by playing the music you want to hear, when you want to hear it. We have access to an unlimited amount of music thanks to the world wide web. We also bring many titles to each show offering you outstanding music variety even if Wi-Fi is not available. Our song selection includes hits from the 40's to today, featuring music styles from Big Band, Country, Polka, and Waltz to Top 40, Rock, R&B, and Heavy Metal. We play all types of music and do our best to fill all of your guests musical requests. Our D.J.'s can also do all types of specialty dances like the Cupid Shuffle, Cha Cha Slide, Electric Slide, Hokey Pokey, Chicken Dance, and Dollar Dances to get your guests involved in your special moment. People say that variety is the spice of life, then we definitely like to Spice it Up!!

SOUND SYSTEM

We have a unique music systems housed in its own unique stand containing a variety of LED lights. We have multiple types of wash lights, chasing lights, lights that project images and lasers to the beat of the music, black lights, strobe lights, and two mirrored balls so we can match the atmosphere to the music with just a push of a button. With our multiple dual 15" speakers, and quad amplifier stereo system, we can almost fill any size room with the music of your choice at the volume you desire. Our music is played multiple digital format devices, so we can quickly access and play your requests. We provide high-quality non-stop music to keep your event looking and sounding great!

DISC-JOCKEYS

Our D.J.'s will host your event in appropriate attire. We are committed to making the event go the way you intend by making you and your guests the stars of the show, not us! We use two D.J.'s for many events with wireless mic's so we can always take requests, get guests involved, and play the most music without any breaks. We can let the music do the talking or get you and your guests singing, dancing and highly involved in your event if that's the way you want!!!

VALUE

One of our biggest attributes is **VALUE**. **MOONLIGHT MUSIC** offers you extraordinary music variety, with a great sound and light show, fun D.J.'s that are committed to fitting your personal needs at a price that is lower than the others. Our rates start at only \$800 for the first four hours, \$100 per hour there after (*additional mileage or set-up fees may apply and are negotiated prior to the event*).
